

Although Lardner was known for his keen eye in real estate with the development of the Uptown area of Dallas, he was also concerned about the environment. Lardner's support for Texas Business for Clean Air, allowed him to oppose the fast-tracking of the coal-fired plants. Concerned that the electric generating plants would hurt the North Texas air quality the group strongly opposed the environmental abuse.

Madam Speaker, Tom Lardner's loss will be deeply felt among many, but his work will not be forgotten. His caring nature and the creative vision he possessed will live forever.

RECOGNIZING AGNES DILL FOR HER WORK ON BEHALF OF NA- TIVE AMERICANS

HON. HARRY TEAGUE

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 10, 2010

Mr. TEAGUE. Madam Speaker, it is with great honor that I congratulate Agnes Dill for being awarded an honorary doctorate degree from the University of New Mexico for her many years of outstanding service and dedication to Indian Country.

Agnes earned her bachelor of Arts degree in education in 1937 and then taught at BIA schools in Oklahoma for over a decade. Along with becoming an educator, Agnes devoted much of her time in the 1970's to serving as an advocate for Native American people, particularly Native American women. Agnes served as one of the founding members of the North American Indian Women's Association and served as its President in 1973.

All of her efforts led to Agnes being appointed by President Ford to the National Advisory Council on Women's Education in 1975.

Not being one to rest on her laurels, Agnes took all of her knowledge and traveled extensively through the country to set up job and talent banks that would encourage Native American women to seek careers that were thought of as "non-traditional" during the time. These efforts encouraged Native American women to seek jobs in the fields of medicine, law and business. All of her work was driven by one motivating factor that she described in her own words in a recent interview: "Anything a man was doing, I tried to get a woman to do."

Agnes continued to drive policy on these issues when she served on the board of directors of Indian Pueblo Marketing, Inc., which promotes and funds the Indian Pueblo Cultural Center. Agnes also served on the National Advisory Committee for the White House Conference on Aging and has extended her focus to Native American youth serving as President of the New Mexico chapter of NAIWA and Director of New Mexico Indian Council on Aging.

With such an amazing history as an advocate, I am very proud of her numerous accomplishments and I'm proud to represent and honor her today in the Congress. From her beginnings as an educator, to her national advocacy roles, she has demonstrated how commitment to public service for Native American communities can inspire us all to improve our own lives and get involved with these important issues.

Even at the youthful age of 96 years old, her unwavering commitment to advocating for

improvements to Native American education and healthcare is a great example for all of us to look to and continue her work into the future.

HON. DAN BOREN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 10, 2010

Mr. BOREN. Madam Speaker, I rise today to recognize the service of the Vinita Post 40 unit of the American Legion Auxiliary in Oklahoma.

This year marks the 90th Anniversary Celebration of the National American Legion Auxiliary. Although not the first such organization of its kind, the National American Legion Auxiliary is the largest patriotic women's service organization in the world. Its nearly one million members are dedicated to promoting allegiance to God and Country, supporting veterans and youth through various community programs since 1919–1920.

The Vinita Post 40 unit was chartered on March 4, 1929 and has proudly served its Oklahoma community, sponsoring events that include the widely renowned Will Rogers Memorial Rodeo since its inception in 1935. I would like to congratulate the Vinita Post 40 unit and the American Legion Auxiliary for their outstanding patriotism and commitment to community, and today, I celebrate their achievement.

CONGRATULATING THE CHICAGO BLACKHAWKS ON WINNING THE STANLEY CUP

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 10, 2010

Ms. SCHAKOWSKY. Madam Speaker, I rise today to congratulate the Chicago Blackhawks on winning the 2010 Stanley Cup. After an incredible season, no team is more deserving.

The Blackhawks lightening-fast pace and tremendous skill level delivered the team the second-best league record in the regular season. Coach Joel Quenneville guided his team masterfully through the playoffs, where the Blackhawks defeated the Nashville Predators, Vancouver Canucks, and San Jose Sharks to win the Clarence S. Campbell Bowl as Western Conference champions.

Led by captain and Conn Smythe winner Jonathan Toews, who equaled the Blackhawks single-season playoff scoring record with 29 points, the team met the Philadelphia Flyers in the Stanley Cup finals. Each player on the team made significant contributions as they battled the Flyers until the overtime period of game six, where Patrick Kane notched the series-winning goal, earning Chicago its first Stanley Cup since 1961.

As a lifelong fan of the Chicago Blackhawks, I take great pride in congratulating the team on an incredibly thrilling season. I thank them for bringing the Stanley Cup back to the Madhouse on Madison.

THE ISRAEL BLOCKADE AND THE FLOTILLA

SPEECH OF

HON. JERRY LEWIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 9, 2010

Mr. LEWIS of California. Mr. Speaker, Israel has the right and the duty to defend itself and its citizens. Part of its defense includes seeking to inspect ships run by Islamist extremist groups. These extremists were seeking to enter Hamas-controlled Gaza despite repeated requests from the Israeli government not to do so.

I am very concerned by these recent events that have occurred in the Mediterranean Sea. As we now know, on Monday, May 31, the Israel Defense Forces intercepted six ships, known as the "Free Gaza" flotilla. We have learned that this flotilla attempted to break Israel's blockade of the Hamas-controlled Gaza Strip. Although many have said that its primary aim was to deliver humanitarian aid to Gaza, it seems apparent that its main objective was to provoke Israel and disrupt the blockade. More than a million tons of humanitarian aid and medical supplies have entered
